EXECUTIVE SUMMARY

Beardo (beardo.in, Instagram: @beardo.official) is a prominent Indian men's grooming brand with ~78 active creatives running across Meta in India, spending an estimated **Rs.2-3 Cr/mo.** ~Rs.200-250 Cr ARR (est.); founded 2016; acquired by Marico; beard-care pioneer; expanded to perfumes/skincare/hair. Three obvious leaks in the funnel:

(1) Creative gap - heavy studio/offer creative with thin real-customer UGC, before/after or demo content. **(2) Copy/CRO gap** - headlines lead with price/offer rather than outcome, and ad traffic often lands on collections/offer pages rather than the exact SKU. **(3) Tracking/retargeting gap** - retargeting uses generic creative rather than staged, funnel-matched content; CAPI/return-event wiring is inconsistent. These are fixable in 7-14 days. We estimate **30-45% of ad spend is leaking**; HOT - high ad volume, mature spend, clear creative/CRO leaks.

1. AD INTELLIGENCE

Campaign structure	SKU-siloed (beard oil, beard growth, men's perfume, fragrance); ambassador/influencer burst; promo-sale creative heavy; Advantage+ in use. Marico-owned; machismo 'Beardo' persona; perfume hero (Godfather, Don); SKU expansion to face-wash/sunscreen/serum.

Creative Variety		4/10
UGC & Social Proof		3/10
Copy & Hook Strength		4/10

Tracking & CAPI		5/10
Retargeting Depth		3/10

- **Observed signal:** Heavy static, beard-oil creatives stale. **Creative leak (High):** Ads over-index on hero/product-pack studio shots and brand ambassador frames, with heavy machismo tropes. Real-customer before/after (beard growth, oil control, fragrance longevity), texture/demo, and

- grooming-ritual UGC is thin.
- **Copy leak - generic (High):** Headlines lean 'X% off' / 'Beard like a boss' rather than specific outcomes ('72hr fragrance', 'beard dandruff gone in 14 days', 'oil control till end of workday').
 - **Landing page leak (Medium):** PDPs lead with brand imagery and offer; texture demo video, ingredient callouts, before/after photos and usage-routine sit below the fold.
 - **Tracking & retargeting leak (Medium):** Retargeting is generic-brand; concern/SKU-specific retargeting (beard -> oil+wash combo) underused; replenishment reminders at consumption cycle missing.
