EXECUTIVE SUMMARY

Frozen Bottle (Munchbox Frozen Foods Pvt Ltd) is a Bengaluru-born dessert chain - milkshakes, sundae jars, boba, bubble tea, Belgian waffles - that scaled through a city plus master-franchise model, and it runs two brands: Frozen Bottle and Lubov Patisserie. Verified Google inventory: 11 live creatives. For a chain whose growth depends on franchise enquiries and outlet footfall, the paid engine is barely switched on: no store-radius campaigns, no structured franchise-enquiry funnel, and a second brand (Lubov) with no visible paid support at all.

1. AD INTELLIGENCE

Google Ads (verified)	11 live creatives; advertiser Munchbox Frozen Foods Pvt Ltd.
Business model	Company-owned + franchise outlets, with dedicated franchise pages including 'Franchise by city' and 'Master franchise in India', plus corporate food booking - i.e. two revenue lines: consumer footfall and franchise sales.
Two brands, one engine	Frozen Bottle plus Lubov Patisserie (lubov.in) - a premium patisserie brand with no visible paid activity in this pass.
HQ / contacts published	35, K.R. Colony, Krishna Reddy Layout, Amarjyoti Layout, Domlur, Bengaluru 560071; franchise@frozenbottle.in / +91 9108131660 / +91 6366870312; partnership: vipul@frozenbottle.in; customer care 080-48669920, Mon-Fri 10am-6pm; cake orders +91 9108130460.
Live site defect captured	Footer links to frozenbottle.com/pages/faqs while /pages/faq returns a 404 - a broken link buyers hit from the footer today.
Category context	Dessert cafes compete on impulse and proximity; franchise brands compete for investor enquiries. Both demand types are addressable with cheap, local, always-on campaigns.

- **Franchise enquiries are a high-value, unadvertised funnel:** a single franchise sale is worth lakhs, and the buyer researches online first. With 11 creatives and no dedicated franchise campaign, that demand is largely organic - it should be a structured Google + Meta funnel with a numbers pack and a booking flow.

- **No store-radius layer:** dessert cafes win on proximity and impulse. Each outlet needs a 3-5 km radius campaign with an offer and per-store measurement - starting with the highest-performing Bengaluru stores.

- **Lubov Patisserie gets no paid support:** a premium sub-brand with its own site, no visible paid activity. It needs its own identity campaign (occasion cakes, corporate orders) rather than being folded into Frozen Bottle.

- **Broken footer link live:** the footer points to /pages/faqs while /pages/faq returns a 404 - small, but it is the kind of defect that erodes trust at the exact moment a franchise prospect is digging deeper.

- **Corporate food booking is buried:** offices order desserts for events - a dedicated B2B page + campaign is a low-cost, high-AOV line that currently depends on the visitor finding the page unaided.

6. COMPETITOR BENCHMARK

National dessert chains	Bigger outlet counts and stronger app presence.	Win on local: per-store radius campaigns and franchise-prospect funnels.
Independent cafes & patisseries	Hyperlocal loyalty and Instagram presence.	Systematise what they do manually: offers, UGC and reminders per outlet.
Other franchise brands	Aggressive franchise-marketing funnels with ROI maths published.	Publish unit economics + run paid franchise campaigns; that is how franchise sales scale.

7. 3 QUICK WINS (Implement in 7 Days)

WIN 1 - Franchise enquiry funnel

A 'Franchise with us' campaign: landing page with investment range, ROI illustration, support model and a booking form - plus Google search for 'milkshake franchise', 'dessert franchise opportunity' and Meta retargeting for page viewers.

WIN 2 - Store-radius campaigns

Give the top 10 outlets 3-5 km radius campaigns with a store-specific offer and per-store tracking. This is the cheapest way to lift footfall and to prove the model before scaling.

WIN 3 - Give Lubov its own ad identity

Run Lubov Patisserie as a separate brand: occasion cakes, corporate orders and premium gifting, with its own creatives, landing pages and retargeting. Two brands, two engines - not one.

EXPECTED IMPACT

Metric	Current (live)	After Wins (est.)	Impact
Franchise enquiries	Organic only	Paid funnel + ROI pack + retargeting	More qualified investor conversations
Outlet footfall	No local ad structure	Radius campaigns on top 10 stores	Measurable per-store lift
Lubov revenue	No paid activity	Own brand campaigns	New demand line at low cost
B2B orders	Page buried, unaided	Campaign + dedicated landing	Higher AOV corporate orders
