01 METHOD

Dated public-evidence snapshot checked 05 October 2026. Meta evidence is cited by individual Library ID and advertiser/page ID; the selected cards are not an account-wide count. Public ad counts and rendered variants can change daily; recheck before relying on them. Meta search-type parameters can be ignored by the interface, so keyword results are not treated as page or advertiser proof. Bengaluru relevance is based only on explicit creative or first-party material; no audience targeting is inferred.

Contacts and offer details are taken from the brand's own website, help or corporate pages and remain routing contacts unless a buyer role is explicitly published. No private account, booking, order or analytics records were accessed. Spend, ROAS, CPA, conversion outcomes and event firing are marked unavailable or not measured. A public ad card or URL alone does not prove that tracking events fire.

03 FINDINGS

NOTE	01 The selected card names the Museum Road location; its menu figures remain advertiser copy
source_ids: S1 observed: Library ID 25289523817380586; Chutney Chang; Active/Sponsored 05 Oct 2026; started 05 Dec 2025. Copy says “75+ non-veg delights” and names Museum Rd near Church Street, Bengaluru. checked: 05 OCT 2026	

This is a current public placement and local card copy only. “75+” and displayed offer/price text are not independently audited menu or transaction data; no spend or booking outcome is public.

NEXT CHECK · Re-open the card and current menu before reusing offer wording; if authorized, connect its ID to a defined completed buffet booking/order event.

NOTE	02 The official Page About provides a direct contact; the linked corporate page is currently unavailable
source_ids: S2, S3 observed: Page About lists chutneychangmr@fusionfoods.co.in, phone numbers and HM Eleganza, Bangalore; linked Fusion Foods brand page returned HTTP 500 on 05 Oct 2026. checked: 05 OCT 2026	

The accessible Page About is the first-party contact source. The site failure does not invalidate that listing, but the route should be reconfirmed before sending; no buyer identity is inferred.

NEXT CHECK · Recheck the official Page About and linked brand site before outreach; ask the published contact to route to the paid-media measurement owner.

NOTE	03 The Google group-domain query returned zero results in this capture
source_ids: S4 observed: India-region fusionfoods.co.in query returned zero results on 05 Oct 2026. checked: 05 OCT 2026	

This query does not rule out brand-level, other-domain or Google advertising activity.

NEXT CHECK · If revisited, inspect an accessible individual creative and verify a direct Chutney Chang/advertiser tie before claiming activity.

If access is authorized, align the event definition, date window, timezone, Library ID and the corresponding booking/order or CRM record. Do not infer an outcome from the public ad card.
