01 METHOD

Dated public-evidence snapshot checked 05 October 2026. Meta evidence is cited by individual Library ID and advertiser/page ID; the selected cards are not an account-wide count. Public ad counts and rendered variants can change daily; recheck before relying on them. Meta search-type parameters can be ignored by the interface, so keyword results are not treated as page or advertiser proof. Bengaluru relevance is based only on explicit creative or first-party material; no audience targeting is inferred.

Contacts and offer details are taken from the brand's own website, help or corporate pages and remain routing contacts unless a buyer role is explicitly published. No private account, booking, order or analytics records were accessed. Spend, ROAS, CPA, conversion outcomes and event firing are marked unavailable or not measured. A public ad card or URL alone does not prove that tracking events fire.

03 FINDINGS

NOTE	01 The active birthday card exposes a booking CTA, not a confirmed event
source_ids: S1, S2 observed: ID 4243358122642238; Gold Coins Club & Resort; Active/Sponsored 05 Oct 2026; started 22 Sep 2026. Copy mentions birthday celebrations, unlimited buffet and Electronic City Phase II; CTA Book now. checked: 05 OCT 2026	

This is public card copy and CTA only. The final redirect, package availability and completed bookings were not measured.

NEXT CHECK · Re-open the card and confirm current CTA/package details; if authorized, map the ID to a defined confirmed-event booking record.

NOTE	02 The first-party booking route matches the local address but not a media owner
source_ids: S2 observed: Official Contact page publishes bookings@goldcoinsresort.in for enquiries, quotes/site visits and the same Andapura/Electronic City address. checked: 05 OCT 2026	

A booking inbox is a routing contact only; the page does not name a buyer or expose booking outcomes.

NEXT CHECK · Ask bookings to forward the source-linked note to the paid-media measurement owner.

NOTE	03 The Google result is not tied to the resort brand
source_ids: S3, S4 observed: Query returned verified advertiser 'Gold Coin Club'; opened creative last shown 25 Sep 2026 and marked removed, with content unavailable. checked: 05 OCT 2026	

Name/domain similarity does not establish that the advertiser or unavailable creative represents Gold Coins Club & Resort.

NEXT CHECK · If revisited, verify an accessible creative's advertiser, brand-specific content, destination and status before attributing activity.
