01 METHOD

Dated public-evidence snapshot checked 05 October 2026. Meta evidence is cited by individual Library ID and advertiser/page ID; the selected cards are not an account-wide count. Public ad counts and rendered variants can change daily; recheck before relying on them. Meta search-type parameters can be ignored by the interface, so keyword results are not treated as page or advertiser proof. Bengaluru relevance is based only on explicit creative or first-party material; no audience targeting is inferred.

Contacts and offer details are taken from the brand's own website, help or corporate pages and remain routing contacts unless a buyer role is explicitly published. No private account, booking, order or analytics records were accessed. Spend, ROAS, CPA, conversion outcomes and event firing are marked unavailable or not measured. A public ad card or URL alone does not prove that tracking events fire.

03 FINDINGS

NOTE	01 The active Marathahalli card is an offer and message route, not an order measurement
source_ids: S1 observed: ID 1105859485389342; NIKAA Briyani; Active and Sponsored 05 Oct 2026; started 02 Oct 2026. Copy states ₹299 and a Marathahalli address; captured card shows Instagram 'Send message'. checked: 05 OCT 2026	

This establishes the public card and wording only. Offer price was not checked at the outlet; no order, audience, spend or event result is exposed.
NEXT CHECK · Re-open the card and confirm copy/destination before reuse; if authorized, map the Library ID to the agreed completed-order event and source-of-record.

NOTE	02 The official contact route is feedback/catering, not a named media owner
source_ids: S2, S1 observed: Official Contact page publishes feedback@nikaabriyani.com and names Nonvee Foods at a Salem address; the selected card names a Marathahalli outlet. checked: 05 OCT 2026	

The sources support a contact route and Bengaluru card context, not a media-buyer identity or corporate-location claim in Bengaluru.
NEXT CHECK · Ask the published contact to route the source-linked note to the paid-media measurement owner; confirm the route before sending.

NOTE	03 The Google result is not attributable to NIKAA
source_ids: S3, S4 observed: Domain view returned one verified NONVEE result; opened creative was last shown 10 Feb 2026 and marked removed, with content unavailable. checked: 05 OCT 2026	

A matching corporate name and domain query do not substitute for an accessible brand-identifying creative. No current Google activity is claimed.
NEXT CHECK · If revisited, open a current individual creative and verify advertiser, brand copy, destination and status/last-shown fields.
