01 METHOD

Dated public-evidence snapshot checked 05 October 2026. Meta evidence is cited by individual Library ID and advertiser/page ID; the selected cards are not an account-wide count. Public ad counts and rendered variants can change daily; recheck before relying on them. Meta search-type parameters can be ignored by the interface, so keyword results are not treated as page or advertiser proof. Bengaluru relevance is based only on explicit creative or first-party material; no audience targeting is inferred.

Contacts and offer details are taken from the brand's own website, help or corporate pages and remain routing contacts unless a buyer role is explicitly published. No private account, booking, order or analytics records were accessed. Spend, ROAS, CPA, conversion outcomes and event firing are marked unavailable or not measured. A public ad card or URL alone does not prove that tracking events fire.

03 FINDINGS

NOTE	01 One card routes both dining and event enquiries
source_ids: S1, S3 observed: ID 1383590387259883; Paint the town restaurant; Active/Sponsored 05 Oct 2026; started 25 Sep 2026. Copy names food/art menu and DMs for guided sessions, birthdays and corporate events; Learn more links to official site. checked: 05 OCT 2026	

The creative exposes different customer intents; it does not show whether dining, event enquiries or confirmed bookings are reported separately.

NEXT CHECK · If the team separates objectives, define dining and event inquiry/booking events and map destinations only with authorized account-side data.

NOTE	02 The site offers separate menus and event routes; no tracking claim is made
source_ids: S2, S3 observed: Official homepage presents Dine Sip Paint, food/art menus and bookable event experiences; Contact page matches the card's Koramangala address. checked: 05 OCT 2026	

This establishes public paths, not evidence that attribution is missing or that a path fails.

NEXT CHECK · Re-open menus/event pages before outreach; ask which internal record is the source of truth for dining versus event bookings.

NOTE	03 The Google domain query returned zero results in this capture
source_ids: S4 observed: India-region view for paintthetown.in returned zero results 05 Oct 2026. checked: 05 OCT 2026	

Zero results do not prove the brand does not advertise on Google.

NEXT CHECK · If revisited, verify a specific current creative, advertiser, destination and last-shown/status.

HALF A DAY

Reconcile only with authorized private records

If revisited, verify a specific current creative, advertiser, destination and last-shown/status. If access is authorized, align the event definition, date window, timezone, Library ID and the corresponding booking/order or CRM record. Do not infer an outcome from the public ad card.
