EXECUTIVE SUMMARY

Arka Energy (INDARKA ENERGY Pvt Ltd, Koramangala) is a Bengaluru-founded (2021, CEO Surya Potharaju) premium solar-structures brand: **PowerGazebo** (2.4-4.3 kW) and **PowerRoof** glass tiles. Tracxn: **85 staff (Apr 2026)**, **Rs.25 Cr FY23**. Day-1 file 14 Sep 2026: **7/10 HOT**, ~27 ads, Rs.8-20 L/mo, pitch_fit HIGH.

Live check 14 Sep 2026: arkaenergy.in returns **HTTP 500** (homepage and /products/powergazebo/). arkaenergy.com is a live **US** Webflow site - hero 'favourite among home owners across the US', 30% Federal tax credit, \$2,400-2,500/year, Michigan testimonials, CTA = Book a Call. India IG handle in the Day-1 file (@arkaenergy) is not the brand; live IG is **@arkaenergy.inc** (9,134 followers) - 'America's Favourite Backyard Upgrade'.

Three leaks: (1) India Meta spend is feeding a US-dollar funnel or a 500ing .in domain; (2) neither site names PM Surya Ghar / Rs.78,000 / BESCOM - India FAQ only said 'various subsidies'; (3) no India brand page, Lead Form not WhatsApp 9611049389, Justdial 4.3/20 vs 85 staff. Fixable in 7-14 days. *Ad counts are Day-1 estimates - verify in Meta Ad Library before quoting.*

1. AD INTELLIGENCE

Active platforms	Meta primary (IN). IG @arkaenergy.inc is US-positioned (9,134 / 191 posts). FB facebook.com/arkaenergy.inc. LinkedIn ~2,060. YouTube @arkaenergy ~200 subs. Justdial 4.3 / 20, WhatsApp on listing. Day-1 IG @arkaenergy was wrong.
Active ads (est.)	~27 creatives by Day-1 signature, CTA = Lead Form, spend Rs.8-20 L/mo est. Verify live count in Meta Ad Library India (active) + Google Ads Transparency (arkaenergy.com) before pitching.
Funnel / site (14 Sep)	arkaenergy.in = HTTP 500. Cached India page (Jul 2025): PowerGazebo + PowerRoof, Get a Quote, FAQ 'various subsidies' with no rupee number. .com = US Book-a-Call form, 30% ITC, \$ savings. Phone +91 9611049389, info_india@arkaenergy.com, 230/A 18th Main Koramangala 560095.
Product + unused proof	PowerGazebo SKUs: Riviera 2.4 kW / Laguna 3.0 / Malibu 3.7 / Daytona 4.3. 25-yr tile warranty, 150-175 MPH. Proof not paid in IN: Sarjapur villa (SunEdison 2022), Hyderabad gazebo, Shalabh Kumar 42 Mark One Bengaluru testimonial, GST 29A AFCI8867F1Z0.

2-5. CREATIVE / COPY / CRO / TRACKING SCORES

Subsidy & Scheme Clarity		2/10
WhatsApp / Speed-to-Lead		3/10
Social Proof (Installs)		3/10
Creative Variety (Video/Reels)		4/10
Landing Page & Form CRO		2/10
Tracking & Retargeting		3/10

- **Geo / domain leak (critical, 14 Sep 2026):** arkaenergy.in is HTTP 500. arkaenergy.com is a US backyard-gazebo site (Federal ITC, \$, Michigan reviews). India ads that land on .com ask a BESCOM villa owner to 'claim a 30% federal tax credit'. Day-1 leak matches: no dedicated India brand page - the live IG/FB are @arkaenergy.inc (US).

- **Subsidy leak:** Cached India FAQ: 'Yes, various subsidies and incentives are available. Our team will guide you.' No PM Surya Ghar, no Rs.78,000, no BESCOM net-meter. SolarSquare's Karnataka page leads with the number and shows 1,092 Bangalore properties on the national portal (21 Apr 2026). A 3.0 kW Laguna gazebo is subsidy-eligible in size - the hook is unused.

- **WhatsApp + proof leak:** Ads go to a Lead Form; .com CTA is Book a Call. India WhatsApp 9611049389 sits on Justdial only. 85 staff and Rs.25 Cr, but JD 4.3/20 and YT 200. Sarjapur / Mark One / Hyderabad installs are not the ad.

6. COMPETITOR BENCHMARK

Competitor	What they do better	Signal for Arka
SolarSquare (Bengaluru)	PM Surya Ghar in the nav. Karnataka city pages. 1,092 Bangalore properties / 4,050 kWp on the national portal as of 21 Apr 2026. 4.8 Google / 15,000+ ratings.	India landing must name Rs.78,000 + BESCOM. Put Mark One / Sarjapur proof above the fold.
Freyr Energy	Live hero: 'Save Rs.1 Lakh' = Rs.78,000 subsidy + Rs.22,000. WhatsApp-first, calculator, EMI from Rs.1,466. Site is up.	Lead with the rupee number even on a premium gazebo. Do not send IN traffic to a US ITC page.
BESCOM-empanelled EPCs	Kamal Solar / Eco Solar win the 'solar panel for home Bangalore' auction with subsidy + WhatsApp + 3-field forms. They are not competing on design - they are competing on the query Arka may be bidding.	Split campaigns: lifestyle/villa vs commodity 3 kW. Premium creative, subsidy math, WhatsApp CTA.

7. 3 QUICK WINS (Implement in 7 Days)

WIN 1 - 48 hours: Fix .in, geo-split traffic, subsidy on the India hero Restore arkaenergy.in (stop the 500). India hero: 'Bengaluru villas - PowerRoof / PowerGazebo. 3 kW+ eligible for up to Rs.78,000 (PM Surya Ghar). WhatsApp for a site survey.' CTA = click-to-WhatsApp 9611049389. Geo-split Meta: IN -> .in, US -> .com. Expected: stop IN clicks dying on a US tax-credit page.
WIN 2 - 7 days: India brand page + subsidy/villa Meta batch, kill Lead Form as primary Stand up an India FB/IG (not only @arkaenergy.inc). 6 creatives in English + Kannada: (a) eligible for up to Rs.78,000 on 3 kW+, (b) Mark One / Sarjapur before-after, (c) Laguna 3.0 kW gazebo as outdoor room + bill offset, (d) Justdial 4.3. CTA = Send WhatsApp Message. Never promise subsidy approval. Expected: 25-40% more qualified villa enquiries at the same Rs.8-20 L spend.
WIN 3 - 14 days: 3-field quote + Pixel on .in + 60-day retargeting Replace Book-a-Call / Lead Form with city + phone + monthly bill (then gazebo vs roof). Rebuild Pixel + CAPI on arkaenergy.in. Sequence: video 50% -> WhatsApp -> site-survey (30-90 day villa cycle). Push 30 Google reviews. Expected: lead->survey 15-20% to 28-35%; cheaper cost per installed kW.

EXPECTED IMPACT

Metric	Current (est.)	After Wins	Impact
IN click -> relevant page	US site or HTTP 500	>90% to .in	Geo-split + site restore
Cost per lead (Meta)	Rs.250-450	Rs.150-250	~40% cheaper
Lead -> site survey	15-20%	28-35%	WhatsApp in <5 min
Cost per installed kW won	Rs.6,000-9,000	Rs.3,500-5,500	Same budget, more installs

READY TO PLUG THESE LEAKS?

Smart Pursuit will run a **14-day solar sprint** for Arka Energy India: fix arkaenergy.in, geo-split IN vs US traffic, subsidy-first WhatsApp creatives for Bengaluru villas, Pixel/CAPI + 60-day retargeting. Priced against **cost per site survey**, not impressions.
