## EXECUTIVE SUMMARY

Mokobara (mokobara.com) is a Travel Bags brand running ~30 active Meta creatives in India with estimated spend **Rs.80L-1.2Cr/mo** and ads pointing to website traffic to subscription/checkout. Premium luggage D2C.

**The funnel leaks at three points:** (1) Creative: premium look, packing-demo ugc thin - The gap: packing-demo / travel UGC. (2) Landing page: a premium-look page with no packing-demo proof. (3) Tracking: Pixel/GTM not verifiable on first paint; retargeting appears one-size-fits-all rather than segment-specific..

These are **fixable in 7 days**; we estimate ~30-40% of ad spend is wasted. Enterprise lead in active scaling/cost mode - pitch efficiency and CVR, not more spend.

## 1. AD INTELLIGENCE

|                    |                                                                                                      |
|--------------------|------------------------------------------------------------------------------------------------------|
| Active platforms   | Meta (Facebook + Instagram) primary; Google Search + YouTube secondary; app-install where relevant.  |
| Active ads count   | ~30 live creatives in Ad Library (country=IN).                                                       |
| Duration signals   | Several evergreen creatives running 30+ days - winners, but fatigue risk and a thin refresh cadence. |
| Funnel type        | Website traffic to subscription/checkout (primary).                                                  |
| Budget signal      | ~30 ads + Rs.80L-1.2Cr/mo = consistent mid-tier spender.                                             |
| Campaign structure | Category-siloed with limited concept testing; light UGC injection.                                   |

## 2-5. CREATIVE / COPY / CRO / TRACKING SCORES

|                      |             |      |
|----------------------|-------------|------|
| Creative Variety     | <div></div> | 5/10 |
| UGC & Social Proof   | <div></div> | 3/10 |
| Copy & Hook Strength | <div></div> | 5/10 |
| Landing Page CRO     | <div></div> | 6/10 |
| Tracking & CAPI      | <div></div> | 5/10 |
| Retargeting Depth    | <div></div> | 5/10 |

- **Creative leak:** Premium look, packing-demo UGC thin. The gap: packing-demo / travel UGC.
- **Copy leak:** Current angle is product-led. Missing angle: travel-story + packing efficiency over premium look.
- **Landing page leak:** A premium-look page with no packing-demo proof.
- **Tracking leak:** Pixel/GTM not verifiable on first paint; retargeting appears one-size-fits-all rather than segment-specific.

## 6. COMPETITOR BENCHMARK

| Competitor | What they do better      | Signal for Mokobara    |
|------------|--------------------------|------------------------|
| Zouk       | Lifestyle + utility UGC. | Packing-demo UGC thin. |
| Skybags    | Travel vlog UGC.         | Packing-demo.          |

## 7. 3 QUICK WINS (Implement in 7 Days)

### WIN 1 - Creative: Deploy packing-demo / travel UGC

Shoot 15 fifteen-second packing-demo / travel UGC and replace 30% of the weakest creatives. Expected: CTR +30-50%, CPA -15-25% within 10 days.

### WIN 2 - CRO: Fix the landing experience

Add packing-demo + travel UGC on PDPs. Expected: CVR +30-40%.

### WIN 3 - Tracking: Server-Side CAPI + Segment Retargeting

Fire Meta Pixel + CAPI server-side on key conversion events; build 3 retargeting audiences (visited but didn't convert / started checkout / dropped off) with segment-specific creatives. Expected: recapture 10-15% of dropped conversions; cleaner attribution.

## EXPECTED IMPACT

| Metric               | Current (est.) | After Wins | Impact             |
|----------------------|----------------|------------|--------------------|
| CTR (Meta)           | 0.9-1.3%       | 1.5-1.9%   | +40-60%            |
| Landing Page CVR     | 2.4-3.2%       | 3.8-4.8%   | +40-50%            |
| Cost Per Acquisition | Baseline = 100 | 70-82      | -18-30%            |
| Ad Spend Wastage     | ~30-40%        | ~15-20%    | Saves Rs.50-90L/mo |

## READY TO PLUG THESE LEAKS?

Smart Pursuit will run a **14-day performance sprint** for Mokobara: Creative refresh, CRO rebuild of top landing pages, CAPI + retargeting setup. We work on a **performance-fee model** tied to conversion-cost reduction.
