01 METHOD

Dated public-evidence snapshot checked 06 October 2026. Meta evidence is cited by individual Library ID and advertiser/page ID; the selected cards are not an account-wide count. Public ad counts and rendered variants can change daily; recheck before relying on them. Meta search-type parameters can be ignored by the interface, so keyword results are not treated as page or advertiser proof. Bengaluru relevance is based only on explicit creative or first-party material; no audience targeting is inferred.

Contacts and offer details are taken from the brand's own website, help or corporate pages and remain routing contacts unless a buyer role is explicitly published. No private account, booking, order or analytics records were accessed. Spend, ROAS, CPA, conversion outcomes and event firing are marked unavailable or not measured. A public ad card or URL alone does not prove that tracking events fire.

The extracted creative did not expose GO DESi branding, product copy or a brand landing page. It is not attributed to GO DESi and does not establish current brand-specific Google activity. The public result count is a dated snapshot, not an active-ad count.

03 FINDINGS

NOTE	01 The selected Shop Now card is public placement evidence, not an order result
source_ids: S1 observed: Meta Library ID 1440511024788968; page GO DESi; Active and Sponsored on 06 Oct 2026; started 13 Jul 2026. The visible card links to a GO DESi snack product page. checked: 06 OCT 2026	

The card supports the visible creative and route only. Its product, price and ingredient statements are advertiser copy; no checkout, order, audience, spend or conversion result was measured.

NEXT CHECK · Re-open the direct Library ID and product path before outreach; if authorized, define the completed-order event and source-of-record before measuring outcomes.

NOTE	03 The Google result is under a verified agency; no GO DESi tie is established
source_ids: S3, S4 observed: The domain query displayed 22 any-time results. Opened creative CR08057425657375752193 names Haystack Marketing Services Pvt Ltd as verified advertiser, was last shown 15 Sep 2026, and its media was unavailable/removed. checked: 06 OCT 2026
