

Magicbricks.com - Real Estate Marketplace

Prepared for Agency Outreach | Lead Score: 10/10 ■ HOT LEAD | Date: Sept 10, 2026

EXECUTIVE SUMMARY

Magicbricks is spending ~1Cr/month on Google + Meta (11M visits/mo). Heavy spender but leaking money on creative, CRO, and retargeting. **BEST PITCH:** Don't pitch Magicbricks directly - pitch their paying builders who list on Magicbricks and pay Rs 2500 for shared leads.

1. AD INTELLIGENCE - Where They Spend

Google Ads (Heavy - 60%): Branded + locality keywords (e.g., 'flats in Bangalore', '2BHK Whitefield'). Estimated 80L-1.5Cr/month. **Meta Ads (30%):** Lead Ads for 'Post Property Free', retargeting viewed properties. Missing UGC, founder content. **YouTube:** Locality review videos for SEO.

Platform	Active	Spend Signal	Gap
Google Search + PMax	High	80L-1.5Cr/mo	No hyperlocal language ads
Meta (FB/IG)	Medium	20+ active ads	90% static, no UGC/Reels
YouTube	Medium	Locality videos	No Shorts strategy

2. CREATIVE AUDIT - 3 Big Mistakes

- **No UGC / Human Face:** All ads are portal screenshots. No buyer testimonial - 'I found home in 7 days'
- **No Short-form Video:** Zero Reels/Shorts: '3BHK under 1Cr in Bangalore - 3 options'
- **No Hyperlocal Creative:** Same creative Pan-India. Opportunity: Kannada for Bangalore = 2x CTR

3. LANDING PAGE / CRO AUDIT - Score: 5/10

Area	Finding
Above-fold	Search bar with 8 filters = Too much friction
Speed	Heavy page, multiple banners, slow mobile
Clutter	5 CTAs: Buy, Rent, PG, Plot, Commercial = Confusion
Trust	No social proof above fold

4. 3 QUICK WINS (Your Pitch Gold)

WIN 1: Hyperlocal Reels + PMax

Create 50 Reels: '2BHK under 80L in [Locality]' in Kannada/Hindi/English. Run as YouTube Shorts + Meta Reels + PMax. Expected: 40% lower CPL.

WIN 2: Abandoned Search Retargeting

User searches '3BHK Marathahalli 1.5-2Cr' but doesn't contact. Retarget with WhatsApp + DPA: '3 new verified properties added today'. Lift: 25%.

WIN 3: NRI Funnel

Dedicated landing page with USD pricing, video call tour, POA assistance. Run Google Ads in US/UAE for 'Buy property Bangalore from USA'. High ticket, low competition.

5. HOW WE CAN HELP YOU (If you were the builder)

You pay Magicbricks 50k/month for shared leads (same lead sold to 5 brokers). We help builders get EXCLUSIVE buyer leads via own Meta + Google funnel at Rs 800-1200/lead vs Rs 2500. Found 2 leaks in how your project is currently running ads.
