3 LEAKS WE FOUND (live-verified)

LEAK 1: Franchise enquiries are a high-value, unadvertised funnel One franchise sale is worth lakhs and the investor researches online first - yet there is no structured paid funnel with an ROI pack and booking flow.
LEAK 2: No store-radius layer Dessert cafés win on proximity and impulse. With no 3-5 km radius campaigns or per-store measurement, footfall depends entirely on walk-by traffic.
LEAK 3: Lubov Patisserie gets no paid support A premium sub-brand with its own site but no visible paid activity - it is carried by Frozen Bottle's brand instead of having its own occasion/corporate/gifting demand engine.

3 QUICK WINS (14-DAY ROADMAP) → FIX LEAKS + LOWER CPA

DAY 1-5: Launch the franchise enquiry funnel Landing page with investment range, ROI illustration, support model and booking form - plus Google search on 'milkshake franchise', 'dessert franchise opportunity' and Meta retargeting for page viewers.
DAY 6-10: Give the top 10 outlets radius campaigns 3-5 km campaigns with store-specific offers and per-store tracking - the cheapest way to lift footfall and prove the model before scaling.
DAY 11-14: Give Lubov its own ad identity Occasion cakes, corporate orders and premium gifting with separate creatives, landing pages and retargeting. Two brands, two engines - not one.
