01 METHOD

Dated public-evidence snapshot checked 05 October 2026. Meta evidence is cited by individual Library ID and advertiser/page ID; the selected cards are not an account-wide count. Public ad counts and rendered variants can change daily; recheck before relying on them. Meta search-type parameters can be ignored by the interface, so keyword results are not treated as page or advertiser proof. Bengaluru relevance is based only on explicit creative or first-party material; no audience targeting is inferred.

Contacts and offer details are taken from the brand's own website, help or corporate pages and remain routing contacts unless a buyer role is explicitly published. No private account, booking, order or analytics records were accessed. Spend, ROAS, CPA, conversion outcomes and event firing are marked unavailable or not measured. A public ad card or URL alone does not prove that tracking events fire.

source_ids: S2, S3 observed: Terms names OICKPL as operator and references Bangalore Blues Entertainment India Private Limited; the official Careers result says incorporated by OIEPL. checked: 05 OCT 2026	

The public pages do not explain the relationship. Do not merge this brand with a parent or another account based on names alone.
