01 METHOD

Dated public-evidence snapshot checked 04 October 2026. Meta evidence is cited by individual Library ID and advertiser/page ID; the selected cards are not an account-wide count. Public ad counts and rendered variants can change daily; recheck before relying on them. Meta search-type parameters can be ignored by the interface, so keyword results are not treated as page or advertiser proof. Bengaluru relevance is based only on explicit creative or first-party material; no audience targeting is inferred.

Contacts and offer details are taken from the brand's own website, help or corporate pages and remain routing contacts unless a buyer role is explicitly published. No private account, booking, order or analytics records were accessed. Spend, ROAS, CPA, conversion outcomes and event firing are marked unavailable or not measured. A public ad card or URL alone does not prove that tracking events fire.

03 FINDINGS

NOTE	01 The individual card has Bengaluru copy; its standalone fetch was blocked
source_ids: S1, S2 observed: Library ID 1448800300746966; page ChelviesCoffee (459166307273890); Active and Sponsored on 04 Oct 2026; started 07 Sep 2026; creative says 'Bengaluru's viral Spiderweb Pizza is here!' and See details opens Instagram. The advertiser-page result was accessible; the card-specific fetch returned HTTP 403. checked: 04 OCT 2026	

The card-level details were visible in the direct advertiser-page results, not a keyword-only result. The limitation is the standalone fetch and untested final Instagram path; no restaurant visit or order is inferred.

NEXT CHECK · Re-open both the individual card link and the advertiser-page result; confirm current status and destination before reusing the observation.

NOTE	02 The official Indiranagar locator exposes ordering and call routes
source_ids: S3 observed: The first-party store page lists an Indiranagar, Bengaluru outlet with Order Online, Direct Pay, Directions and Call; the outlet phone is +91 98450 63368. checked: 04 OCT 2026	

A public ordering/call path is visible, but no booking, order, visit or event outcome is measured. The outlet business-name field is not treated as a legal entity.

NEXT CHECK · If the brand authorizes an account-side review, agree an outcome definition and reconcile it with the relevant outlet/order record and date window.

NOTE	03 The published email is a grievance route, not a confirmed media contact
source_ids: S4 observed: Chelvies' official Privacy Policy names info@chelviescoffee.com as the Grievance Officer email. checked: 04 OCT 2026	

The email is first-party and public, but the page does not say that it handles marketing or paid-media requests.

NEXT CHECK · Check whether this route is appropriate before sending; otherwise use the official store/contact channels to request the correct paid-media measurement owner.

NOTE	04 The Google domain query returned no result in this capture
source_ids: S5 observed: India-region domain view for chelviescoffee.com returned zero results on 04 Oct 2026. checked: 04 OCT 2026	

Zero results do not establish that the brand does not advertise on Google.

NEXT CHECK · If revisited, open an individual creative and verify the named advertiser, brand tie, destination and last-shown/status fields.
