01 METHOD

Dated public-evidence snapshot checked 04 October 2026. Meta evidence is cited by individual Library ID and advertiser/page ID; the selected cards are not an account-wide count. Public ad counts and rendered variants can change daily; recheck before relying on them. Meta search-type parameters can be ignored by the interface, so keyword results are not treated as page or advertiser proof. Bengaluru relevance is based only on explicit creative or first-party material; no audience targeting is inferred.

Contacts and offer details are taken from the brand's own website, help or corporate pages and remain routing contacts unless a buyer role is explicitly published. No private account, booking, order or analytics records were accessed. Spend, ROAS, CPA, conversion outcomes and event firing are marked unavailable or not measured. A public ad card or URL alone does not prove that tracking events fire.

03 FINDINGS

NOTE	01 The Meta card links cake creatives to the official store
source_ids: S1 observed: Library ID 1893067388109477; page Liliyum Patisserie Cafe (687481308002878); Active and Sponsored on 04 Oct 2026; started 18 Jun 2025; versions include Butterfly Ombre Cake/Butterscotch Cake with Order Now links to liliyum.com. checked: 04 OCT 2026	

The direct individual card shows a public placement and product-page path only. The surrounding page response said unpublished or deleted; no broader page/account claim or completed order is inferred.

NEXT CHECK · Re-open the individual ad card, confirm its current status and product destination, and reconcile any authorized order event by card ID and date window.

NOTE	02 First-party support and operating address are published
source_ids: S2 observed: The official contact page lists support@liliyum.com and a Hongasandra/Bengaluru operating address. checked: 04 OCT 2026	

This is a public routing contact and locality source, not a named paid-media buyer or proof of campaign geography.

NEXT CHECK · Recheck the contact details and ask the support route to forward the note to the paid-media measurement owner if appropriate.

NOTE	03 A recent Google creative is archived and marked removed
source_ids: S3, S4 observed: Creative CR10100277055867322369 names Liliyum Patisserie/Bangalore, last shown 03 Oct 2026, under verified advertiser SHARATH JOSE; Google marks it removed for a policy violation. checked: 04 OCT 2026	

This establishes a recent brand-specific archived creative, not a current Google-active ad. The domain view's 22 any-time results are not an active count.

NEXT CHECK · If revisited, open an individual creative and confirm its current status, advertiser, brand destination and last-shown fields before making an activity claim.

Recheck the contact details and ask the support route to forward the note to the paid-media measurement owner if appropriate.

HALF A DAY

Reconcile only with authorized private records

If revisited, open an individual creative and confirm its current status, advertiser, brand destination and last-shown fields before making an activity claim. If access is authorized, align the event definition, date window, timezone, Library ID and the corresponding booking/order or CRM record. Do not infer an outcome from the public ad card.
