01 METHOD

Dated public-evidence snapshot checked 04 October 2026. Meta evidence is cited by individual Library ID and advertiser/page ID; the selected cards are not an account-wide count. Public counts and rendered variants can change after capture; recheck before relying on them. Meta search-type parameters can be ignored by the interface, so keyword results are not treated as page or advertiser proof. Bengaluru relevance is based only on explicit creative or first-party material; no audience targeting is inferred.

Contacts and offer details are taken from the brand's own website, help or corporate pages and remain routing contacts unless a buyer role is explicitly published. No private account, booking, order or analytics records were accessed. Spend, ROAS, CPA, conversion outcomes and event firing are marked unavailable or not measured. A public ad card or URL alone does not prove that tracking events fire.

02 THE AD ACCOUNT

Brand / website	Swiggy · swiggy.com
Local context	Swiggy's corporate contact page lists a Bengaluru corporate office. The selected Meta card has multiple versions; the latest direct fetch rendered a Ludhiana Pizza Wings listing while a prior capture showed a Mumbai Subway listing. A verified SWIGGY LIMITED advertiser appears in results. The individual creative linked in S5 promotes the Toing food-delivery app, not Swiggy's consumer food-order brand. This does not establish current Swiggy consumer-brand Google activity; about 5K is not an active-ad count.
Published contact	akanksha.j@swiggy.in · Published Food and Dineout PR / Corporate Communications route (AVP); not a paid-media buyer. Use only for referral to the relevant measurement owner. Crawled from Swiggy's own corporate contact page at https://www.swiggy.com/corporate/contact-us/ on 04 Oct 2026: Akanksha Jain is listed for Swiggy Food and Swiggy Dineout PR/Corporate Communications at akanksha.j@swiggy.in.

03 FINDINGS

NOTE	01 The versioned platform card exposes changing restaurant-listing destinations
source_ids: S1, S6 observed: Meta Library ID 1004826868771702; page Swiggy (313788932116395); Sponsored and Active on 04 Oct 2026, started 19 May; the direct card says it has multiple versions. The latest capture linked to Ludhiana Pizza Wings; a prior capture showed Mumbai Subway. checked: 04 OCT 2026	

The public record establishes a Swiggy platform placement and versioned listing links only, not Bengaluru targeting or an order outcome. Swiggy is a platform lead, not a restaurant.

NEXT CHECK · Reopen each current version, confirm whether a Bengaluru route exists, and reconcile any authorized order to that version's campaign identifier.

NOTE	02 Bengaluru corporate presence and a published PR route do not identify a media owner
source_ids: S2 observed: The corporate page lists a Bengaluru office and publishes akanksha.j@swiggy.in for Food and Dineout PR/Corporate Communications. checked: 04 OCT 2026	

This establishes corporate local context and a routing contact only; it is not evidence that the selected ad targets Bengaluru.

NEXT CHECK · Ask the published Food/Dineout PR route for a referral to the team responsible for consumer paid-media measurement.

NOTE	03 A verified Swiggy advertiser's reviewed Google creative promotes Toing
source_ids: S4, S5 observed: Google's mixed domain view displayed about 5K any-time results; individual creative CR12702785112756977665 is under verified SWIGGY LIMITED and promotes Toing food delivery. checked: 04 OCT 2026	

The creative is tied to SWIGGY LIMITED but promotes Toing, not Swiggy's consumer food-order brand. It is not counted as current Swiggy consumer-brand activity.

NEXT CHECK · Do not describe this as a Swiggy consumer ad; if revisited, verify an individual creative's product destination and last-shown/status fields.
