01 METHOD

Dated public-evidence snapshot checked 06 October 2026. Meta evidence is cited by individual Library ID and advertiser/page ID; the selected cards are not an account-wide count. Public ad counts and rendered variants can change daily; recheck before relying on them. Meta search-type parameters can be ignored by the interface, so keyword results are not treated as page or advertiser proof. Bengaluru relevance is based only on explicit creative or first-party material; no audience targeting is inferred.

Contacts and offer details are taken from the brand's own website, help or corporate pages and remain routing contacts unless a buyer role is explicitly published. No private account, booking, order or analytics records were accessed. Spend, ROAS, CPA, conversion outcomes and event firing are marked unavailable or not measured. A public ad card or URL alone does not prove that tracking events fire.

Google Ads	CHECKED — no domain-query results (not proof of no activity): The India-region unitedtelugukitchens.com any-time query displayed zero results on 06 Oct 2026. Zero results in one public domain query do not prove that United Telugu Kitchens does not advertise on Google or that no ads exist.
Published contact	gm@telugukitchens.com · Catering information and enquiry route only; not a confirmed restaurant-marketing or paid-media contact. Crawled from United Telugu Kitchens' own Catering page on 06 Oct 2026: https://unitedtelugukitchens.com/catering publishes gm@telugukitchens.com and +91-9912000777 under 'For More Information' for catering enquiries. The official Contact page https://unitedtelugukitchens.com/contact lists Bengaluru locations but no public general email. The published email is catering-specific, not a confirmed media contact.

Public-evidence-fit triage only: direct paid signal, explicit Bengaluru context, visibility of the public CTA, first-party source coverage and suitability of the published contact route. Not an effectiveness, conversion, revenue, spend, ROI, forecast or sales-probability score.
