01 METHOD

Dated public-evidence snapshot checked 05 October 2026. Meta evidence is cited by individual Library ID and advertiser/page ID; the selected cards are not an account-wide count. Public ad counts and rendered variants can change daily; recheck before relying on them. Meta search-type parameters can be ignored by the interface, so keyword results are not treated as page or advertiser proof. Bengaluru relevance is based only on explicit creative or first-party material; no audience targeting is inferred.

Contacts and offer details are taken from the brand's own website, help or corporate pages and remain routing contacts unless a buyer role is explicitly published. No private account, booking, order or analytics records were accessed. Spend, ROAS, CPA, conversion outcomes and event firing are marked unavailable or not measured. A public ad card or URL alone does not prove that tracking events fire.

03 FINDINGS

NOTE

01 The active card shows delivery copy and a short link, not a public order result

source_ids: S1
observed: Library ID 1798771901502677; Xin By MindEscapes; Active/Sponsored 05 Oct 2026; started 06 Jul 2026. Copy says "The kitchen is closed. Zomato is open" and "Order From XIN"; a TinyURL appears beside "See menu."
checked: 05 OCT 2026

The selected card supports public creative and CTA text only. TinyURL destination, checkout, completed orders, spend and attribution are not measured.
NEXT CHECK · Expand and verify the short link before reuse; if authorized, map the Library ID to a defined completed order and the approved source-of-record.

NOTE

02 Xin publishes a brand-specific contact; the registered office is not called an outlet

source_ids: S1, S2
observed: Xin Contact page lists enquiry@xinbymindescapes.com and a Koramangala, Bangalore registered office.
checked: 05 OCT 2026

The card also labels Koramangala, but neither the registered-office address nor city copy establishes ad audience targeting or a particular branch.
NEXT CHECK · Confirm the outlet/location served by this card and ask the published brand contact to route to the paid-media measurement owner.

NOTE

03 The brand-domain Google query returned zero results in this capture

source_ids: S4
observed: India-region xinbymindescapes.com query returned zero results on 05 Oct 2026.
checked: 05 OCT 2026

A zero-result domain view does not rule out advertising through another domain or account.

NEXT CHECK · If revisited, inspect a specific accessible creative and verify named advertiser, brand copy, destination and current status.
